Chamber Hosts Second Annual Job Fair

A coalition of area organizations and businesses will present a **Job Fair at Sikes Senter Mall on Wednesday, May 1 from 2 to 6 p.m.** More than 70 businesses are expected to be on hand for the **2nd Annual Work Hard - Work Smart Job Fair,** presented by The Chamber's Work Hard - Work Smart initiative. Highlights of the job fair include National Career Readiness Certificate (NCRC) search assistance by Work Hard - Work Smart staff, a business fashion show sponsored by local retail stores, resume critiquing by staffing agencies, and job search assistance through Workforce Solutions using WorkInTexas.com. Vernon College representatives will also provide career and enrollment advice.

Job seekers will be able to visit with representatives from local businesses and apply for current job openings at the Job Fair, so applicants are encouraged to come ready to interview. Job seekers do not need to pre-register for the event. Last year's event attracted more than 80 businesses and 1,200 prospective employees with about 10% ultimately receiving job offers.

The Job Fair will also include a "Dress for Success" fashion show and a series of job hunting and workplace related presentations given by local business and educational leaders. The fashion show is set for 4:30 p.m. "We chose that time so that high school and college students will have a chance to see it after they complete their classes for the day," said Michael Paris, The Chamber's Vice President. The fashion show will feature professional and other business-appropriate attire, supplied by mall merchants.

Employment-related seminars will take place before and after the fashion show, including:

2:30 p.m. ***"The Business of Job Hunting"*** presented by *MSU's Career Management Center* - advice for looking for work – treat it like a job in itself.

3 p.m. ***"What Not To Say"*** presented by **Desi Vicars**, *Recruitment Coordinator - United Regional* - what applicants should always say, should try not to say and should never say during a job interview.

3:30 p.m. ***"Do the Math"*** presented by **Michelle Kuehner** - *Personal Money Planning* - a just-the-basics overview of personal financial planning - How much money does your next job need to pay for you to make ends meet?

5:30 p.m. ***"Bad, Better, Great!"*** presented by **Chris Cunningham** - *KAUZ TV 6* - , will help applicants avoid a workplace-fashion faux pas by using models wearing varying degrees of professionally appropriate clothing.

The Work Hard-Work Smart Job Fair is free and open to the public. The Job Fair is co-sponsored by *Sikes Senter Mall, Vernon College, KAUZ, Spherion Staffing,* and *Workforce Solutions*. The Job Fair is part of Work Hard - Work Smart's mission to stimulate the regional economy, make local employers more successful, and assist the under-employed and unemployed to improve their careers. For more information about Work Hard-Work Smart, call their offices at 689-7154. For information about registering your business for the Job Fair, call Sammi Mata at 692-5502 or download a registration form at *www.workhardworksmart.net.*

The Job Fair is also an opportunity for local employers and job seekers to get better acquainted with the NCRC, an assessment developed by the ACT organization and administered by Work Hard - Work Smart, which measures proficiencies in three core workplace areas: Applied Mathematics, Reading for Information, and Locating Information. In just its second year of implementation, the NCRC is already recognized by more than 100 local businesses as a useful tool for identifying those applicants who possess necessary workplace skills. Likewise, more than 2,300 local individuals have obtained NCRC certification as a means for helping them stand out from the competition when applying for jobs. Employers who have not already done so are encouraged to sign a letter of commitment with the Work Hard-Work Smart program, pledging to consider the NCRC in their recruiting and hiring process. U.S. Small Business Administration (SBA) guidelines are used for accepting and reviewing nominations for these highly coveted awards. They include a substantiated history as an established business, growth in number of employees, increase in sales/unit volume, innovativeness in products/services offered, handling adversity, and contributing to the community for the **Small Business Person Award.** The **Family Business Award** requirements are success in sales & profits, employment opportunities for family and non-family members, demonstrated potential for long-term business success and growth, voluntary efforts to strengthen family-owned businesses, and passed on from one generation to the next for at least 15 years. Each year our local winners are nominated for the SBA's Regional Small Business Awards, and may have the opportunity to compete at the national level.

The Chamber has been notified that **John Ahearn** - *Overhead Door Company* has been selected to receive the **Regional SBA (Small Business Administration) Small Business Person Award for 2013!** *The Chamber* and the *SBDC (Small Business Development Center*) nominated him for this award after he received our local award last year. He was competing with other nominees from across North Texas, including the Dallas/Fort Worth metroplex! We are all invited to attend their Awards Luncheon (where he will be given the award) on Thursday, May 23 from 11:30 a.m. to 1:30 p.m. in Arlington. Tickets are $30 each and must be reserved by May 16. We want to get our RSVP's in much sooner than that, so if you want to go with us, please call 723-2741! John's nomination will now be entered into the National SBA competition! Congratulations, John, on a well-deserved honor!

From left to right: Tim Chase – former Chamber CEO, John Ahearn, and Jim Johnson – Chase Bank and Chamber Board Chair at the presentation of the 2012 Small Business Person Award last year.

This year a new award will be given for a **Young Entrepreneur.** The qualifications include being majority owner, operating or being responsible for a small business for at least 3 years, being under the age of 30, having success as measured by sales and profits, creating employment opportunities, developing and/or utilizing innovative or creative business methods, and demonstrating the entrepreneurial potential necessary for long-term business success and economic growth.

Volunteers Make It Happen!

April is Volunteer Appreciation Month. We can't think of a better time to thank all our Chamber volunteers! As is true with so many non-profit organizations, we truly would not exist if it were not for your efforts! We especially thank our Board of Directors, our committee and task force members, and our active Gold Coat Ambassadors. Much of the work of the Chamber is carried out by our volunteers, and we appreciate all you do for us!

A group of Chamber members pose for a picture on steps in the Capitol during our recent Legislative Trip to Austin.

The Chamber has several volunteer recognition programs:

Volunteer of the Month – Each month, The Chamber selects one person as the Volunteer of the Month. These key volunteers are business people and professionals who take time to assist The Chamber in furthering our mission! Our most recent Volunteers of the Month are **Jim Ingalls** – our *Gold Coat President* and a member of *The Chamber Board of Directors,* **Jim Johnson** – *Chase Bank* and our *Present Chair of the Board,* and **Randy West** – *Atmos Energy* and *Chair of The Chamber's Legislative Committee* and also a *Board member.*

Ambassador of the Quarter – Each quarter, the Gold Coat Ambassadors select one of their own for this honor. Our most recent recipient of this award is **Donna Dobbins** – *Heritage Home Medical Equipment.* Recipients in 2012 were **Michelle Burrus** – *Senior Care Health & Rehab,* **Glendale Bennett** – *Strategic Realtors,* **Roger Ritchie** – *Air Evac Lifeteam*, and **Lisa Woodruff** – *Drug & Alcohol Testing Compliance Center.*

Volunteer of the Year – at the Annual Meeting each year, the recipients of the Volunteer of the Month Award are recognized for their efforts, and one is selected as the Volunteer of the Year. **Lanham Lyne** – *former Mayor and State Representative* received this honor in 2012. Other Volunteers of the Year include **Cassie and John Ahearn** in 2011 – our first Couple of the Year (Cassie also won individually in 2009), **Warren Ayres** – *Eagle Oil & Gas,* **Sharon Bankhead** – *formerly with the Woman's Forum,* **Natalie Henderson** – *SAFB Medical Clinic,* **Michelle Lollar** – *Astra Travel,* **Harry Patterson** – *Patterson Auto Group,* **Debbie Ripperger** – *Hampton Inn,* **Jo Schmid** – *Hunan's Restaurant,* and **Kay Yeager** – *Perkins Prothro.*

Here are several ways you can get involved in The Chamber as a volunteer:

- Small Business Week is in June and The Chamber will hold its annual Small Business Awards event that month. The Small Business Awards Committee could really use your help right now!
- In September we will hold our annual Business Expo – another great opportunity if you want to volunteer. The Expo Committee will be holding its first meeting of the year soon.
- Become a Gold Coat Ambassador and help welcome new businesses to our community and The Chamber.
- Or serve on the Education, Legislative, or Networking Committees.

Just call The Chamber at 723-2741 to volunteer!

Marketing Opportunity: Help us recognize The Chamber's key volunteers by donating products or services to give them as thanks for all their hard work! We thank the *Backdoor Theatre, Hands On Therapeutic Massage, Mystic Floral,* and *Ria's* for doing just that! Add your name to the list and gain visibility for your business or organization. Just call Emily at The Chamber Office at 723-2741 with your offer!
